Whether you're a fan of the marmalade-loving bear or just looking for a delightful evening with neighbors, you are welcome and wanted!

Expect Heartwarming Adventure

Critics have called one of the best family films ever made! Paddington takes on odd jobs to earn money for a special book for his aunt's birthday — things get complicated when the book is stolen!

Did You Know?

The Penthouse on the 9th floor (PH Level) is your community gathering recreation room with roof deck access? Available for all tenants, here is a perfect opportunity to discover and enjoy our shared amenity. Volunteers welcome! Let us know if you'd like to help out.

This is our third **community event as we** revitalize The Grosvenor's Tenants Association

*This is a resident-organized community event. Management team members are welcome to join!

In an effort to keep drag on management low, please help us restore The Penthouse to order after our event. **B.Y.O.S. (Bring Your Own Snacks)**
